Exhibition Stall Design & Fabrication

EXHIBITION STALL DESIGN • FABRICATION • INSTALLATION

We turn brand stories into built spaces — crafting exhibition stalls that get noticed, remembered, and revisited

About Us

Dhruv Enterprise is a Mumbai-based exhibition stall design and fabrication company, delivering complete turnkey solutions for trade fairs, exhibitions, and corporate events across India. Under the proprietorship of Meenu Saini, we have built a strong reputation among exhibitors for reliable execution, on-time delivery, and eye-catching stall design.

From concept and 3D design to on-ground fabrication, branding, furniture, lighting, and final handover, we manage every stage of the exhibition stall journey so our clients can focus on showcasing their

WHY CHOOSE US

A build partner, not just a vendor

Proven Track Record

Trusted by brands across FMCG, polymers, security systems, fashion and engineering.

In-house Design + Build Team

No outsourcing — one accountable team from render to reality.

On-time Delivery

Show deadlines are fixed; our production schedules are built around them.

Quality Materials & Finish

Durable structures and clean finishing that photograph as good as they look live.
